## General Description

On April 20, 2005, the Illinois Commerce Commission (Commission), in Order No. 00-0677, approved an all-services overlay over the 618 NPA. The 618 NPA serves the larger cities of, including but not limited to, Bellevue, Granite City, O'Fallon, Alton, East St. Louis, Carbondale, and Collinsville in addition to many smaller communities. The new **730 NPA** will serve the same geographic area currently served by the existing 618 NPA. Additionally, Central Office (CO) codes in the 730 NPA will be available for assignment only when all assignable CO codes in the 618 NPA have been assigned.

All international and domestic carriers should ensure that the new 730 NPA has been activated throughout their networks prior to July 7, 2023. The test number to verify the routing to the 730 NPA will be in service beginning April 7, 2023, through August 7, 2023. The test number to verify the routing to the 730 NPA is: 730-730-1730. A recorded announcement will indicate the test call has been successfully completed.
