### General Description

On July 12, 2007 the Public Service Commission of Utah in Docket No. 07-999-01, rescinded and vacated their previous order to split and approved an all-services distributed overlay as the relief method for the 801 NPA. The 801 NPA serves the greater Salt Lake City area, including cities and communities such as American Fork, Bountiful, Kaysville, Morgan, Ogden, Orem, Provo, Salt Lake City and Spanish Fork. The new **385 NPA** will serve the same geographic area currently served by the existing 801 NPA. This interim planning letter replaces all previous planning letters mentioned above.

### Implementation of Relief Plan

The specific implementation dates will be determined at a later date. Once more information is available, NANPA will publish an updated planning letter.
