

Number: PL-404

Date: March 3, 2010

Subject: Delay of the Introduction of NPA 721 (Sint Maarten, Netherlands Antilles)

Related Previous Planning Letters: PL-396

General Description

The Regulatory Authority of the Government of St. Maarten, NA has requested that the introduction of the 721 NPA be delayed. At this time, additional information concerning a new implementation schedule is not available. Another Planning Letter will be issued when the Authority has established new dates for implementation.

General Information

The information in this planning letter reflects information received from regulatory authorities in St. Maarten. Implementation of the plan described in this letter is the responsibility of individual service providers, and NANPA does not guarantee that the activities and plans will occur exactly as described herein.

Contact Information

Direct general implementation questions to Thomas C. Foley, Senior Manager Data Analysis - NANPA, on +1 (407) 389-8929. Questions of a technical nature are to be directed to the NPA coordinator of the appropriate service provider.

Contact Peggy Ann Brandon of the Post and Telecommunications Regulatory Authority of Sint Maarten, NA on +599 543-7466, brandonpam@gmail.com, for additional information regarding implementation.
