

North American Numbering Plan Planning Letter

Number: PL-NANP-110
Date: February 3, 1998
From: R. C. Breidenbaugh - NANP Administration
202 756-5779, rose.breidenbaugh@nanpa.com
Subject: NANP-Split of 205 (Alabama) Numbering Plan Area (NPA)

We have been advised by BellSouth that substantial number growth in Alabama necessitates providing area code relief for the 205 NPA. The relief plan calls for a geographic split of the 205 NPA in Northern Alabama and the simultaneous introduction of a new 256 NPA. The following is a description of this relief plan.

Generally, the plan calls for the Huntsville LATA and the northeastern portion of the Birmingham LATA to be assigned to the new 256 area code. The southwest portion of the Birmingham LATA, including the Birmingham and Tuscaloosa metropolitan areas, will retain the 205 NPA. The 205 and 256 NPAs are forecast to exhaust in eight and twelve years respectively.

The split of the 205 NPA, and the beginning of a permissive dialing period, is scheduled for 12:01 AM Central Time on Monday, March 23, 1998. The permissive dialing period will end at 12:01 AM Central Time on Monday, September 28, 1998. During the permissive dialing, either 205 or 256 will be acceptable in a dialed number terminating in the new 256 NPA. After the permissive period, calls dialed with the incorrect NPA will be routed to intercept.

The attached [map](#) illustrates the 205 and 256 NPA configuration after the split. Also attached are listings of the assigned central office codes ([NXXs](#)) in the 205 and 256 NPAs. Since the attached NXX information may change over time, updated information may be found either in the Local Exchange Routing Guide (LERG) or the NPA NXX Activity Guide (NNAG). Current information in the LERG and NNAG is available by license contract from Bellcore's Traffic Routing Administration (TRA) group, which can be contacted by dialing the TRA Hotline at 732-699-6700.

All international and domestic carriers are asked to ensure that the new 205 NPA has been activated throughout their networks prior to September 28, 1998. Test calls to verify routing to the new NPA can be made by dialing 256 532-5126, effective February 23, 1998. Calls successfully completed to the test number will receive a recorded announcement. The test number will be disconnected at the end of the permissive period on December 1998.

The dialing procedures for the 205 and 256 NPAs will be as follows:

- All home NPA (HNPA) local calls will be dialed on a 7-digit basis with no prefix, i.e., NXX-XXXX (7 digits).
- All HNPA toll calls, i.e., calls that generally incur an extra charge, will be dialed with a prefix "1" and 10 digits, i.e., 1 + HNPA-NXX-XXXX (1 + 10 digits).

- All foreign NPA (FNPA) local calls will be dialed on a 10-digit basis with no prefix, i.e., FNPA-NXX-XXXX (10 digits).
- All FNPA toll calls will be dialed with a prefix "1" and 10 digits, i.e., 1 + FNPA-NXX-XXXX (1 + 10 digits).
- All operator assisted calls, including credit card, collect, and third party calls, will be dialed with a "0" prefix and 10 digits, i.e., 0 + NPA-NXX-XXXX (0 + 10 digits).

General questions concerning the 205 and 256 NPA split may be directed to Douglas A. McCullough, BellSouth, at 205 977-5069 or Lura Campbell 205 972-2773.

Questions concerning the contents of this letter may be referred to Rose Breidenbaugh, at 202 756-5779.

R. C. Breidenbaugh
