

NORTH AMERICAN NUMBERING PLAN LETTER

Number: PL-NANP-155
 Date: February 1, 1999
 From: R. C. Breidenbaugh - NANP Administration
 202 756-5779; E-mail : rose.breidenbaugh@nanpa.com
 Subject: NANP-Split of 502 Numbering Plan Area (NPA) in Kentucky

BellSouth has notified Lockheed Martin that substantial telephone number growth in the 502 geographical area code in Kentucky necessitates the activation of an additional NPA to serve this area. The revised relief plan approved by the Kentucky Public Service Commission calls for a geographic split of the 502 NPA and the simultaneous introduction of a new 270 NPA. A description of this relief plan follows.

Louisville, Kentucky and some of the area surrounding it will retain the 502 area code and the 270 area code will be assigned to the rest of the 502 area code region. The attached **map** illustrates the respective boundaries of the existing and new area codes, and shows affected counties.

The split of the 502 NPA, and the beginning of a permissive dialing period for the 270 NPA, is scheduled to begin on Monday, April 19, 1999 at 12:01 A.M. Eastern Standard Time (EST). The permissive dialing period will end on Monday, November 1, 1999 at 12:01 A.M. EST. During the permissive dialing period, either the 502 or 270 NPA code will be acceptable in a dialed number terminating in the new 270 NPA. After the permissive period, all calls dialed with the incorrect NPA code will be routed to intercept.

The attached map illustrates the 502 and 270 NPA configuration after the split, showing approximately where the boundary between NPA's will be located. A listing of which NXX codes will be changing their NPA from 502 to 270 and which **NXX** codes will retain their 502 NPA may be found in the Local Exchange Routing Guide (LERG). Current information in the LERG is available by license contract from Bellcore's Traffic Routing Administration (TRA) group, which can be contacted by dialing the TRA hotline at 732-699-6700 or accessing the internet web site located at "<http://www.trainfo.com>". A listing of the NXXs, effective August 12, 1999, is attached.

All international and domestic carriers are asked to ensure that the new 270 NPA has been activated throughout their networks prior to April 19, 1999. Test calls to verify routing to the 270 NPA can be made by dialing the following test number, which will be effective March 8, 1999:

Office	CLLI Code	LATA	Test Number
Madisonville	MDVIKYMADS0	Owensboro	270-503-2727

Calls successfully completed to the test number listed above will receive a recorded announcement. The test number will be discontinued after the end of permissive dialing on October 31, 1999.

The following dialing procedures will continue for all NPA's in Kentucky:

- All home NPA (HNPA) and foreign NPA (FNPA) local calls, Extended Area Service (EAS) calls, and Area Calling Service (ACS) calls within the full local calling area will be dialed on a 7-digit basis without a prefix, i.e., NXX + XXXX (7 digits).
- All HNPA and FNPA direct dialed toll calls and calls outside the full local calling area, i.e., calls that generally incur an extra charge, will be dialed with a prefix "1" and 10 digits, i.e., 1 + NPA + NXX + XXXX (1 + 10 digits).
- All operator-assisted calls, including credit card, collect, and third party calls, will be dialed with a "0" prefix and 10 digits, i.e., 0 + NPA + NXX + XXXX (0 + 10 digits).

Questions concerning the area code relief may be directed to Doug McCullough, BellSouth NPA Relief Planning, on 205-977-5069.

Questions concerning the contents of this letter may be referred to Rose Breidenbaugh, on 202-756-5779.
