

Number: PL-621
Date: August 8, 2023
Subject: NPA 837 and 530 All-Services Overlay (California)
Related Previous Planning Letters: 556, 544, 108, 072

General Description

On June 8, 2023, the California Public Utilities Commission in Application 22-09-016, Decision 23-06-007, approved an all-services distributed overlay as the relief method for the 530 NPA. The 530 NPA serves the northeastern portion of California and covers all or portions of Alpine, Butte, Colusa, El Dorado, Glenn, Humboldt, Lassen, Modoc, Mono, Nevada, Placer, Plumas, Shasta, Sierra, Siskiyou, Solano, Sutter, Tehama, Trinity, Yolo and Yuba counties. It serves communities including but not limited to Chico, Davis, El Dorado Hills, Oroville, Paradise, Placerville, Red Bluff, Redding, South Lake Tahoe, Truckee, Woodland, and Yuba City. The new **837 NPA** will serve the same geographic area currently served by the existing 530 NPA. Additionally, central office (“CO”) codes in the 837 NPA will be available for assignment only when all assignable CO codes in the 530 NPA have been assigned.

Implementation of Relief Plan

Implementation of the 530/837 NPA overlay is as follows:

	Date
Network preparation and customer education begins	April 30, 2024
Network preparation and customer education period ends	January 31, 2025
Earliest new 837 CO code activation date*	January 31, 2025
Earliest date CO codes in the new 837 NPA may be ordered through NANPA**	November 26, 2024

* In-service date of the new 837 NPA overlay

** CO codes in the 837 NPA available only when all assignable CO codes in the 530 NPA are assigned.

Central Office Code Listings and NPA Maps

A rate center map of the 530/837 NPA overlay is attached. Since CO code information may change over time, please consult the NANPA website at www.nanpa.com, iconectiv’s LERG™ Routing Guide or the NPA NXX Activity Guide (“NNAG”) for updated information. Information in the LERG™ Routing Guide and NNAG is available by license contract from Telecom Routing Administration (“TRA”), at 732-699-6700.

Dialing Plan

Mandatory 1+10-digit local dialing is already required for the 530 NPA; no permissive dialing period is necessary. The dialing plan for the 530/837 NPA overlay is as follows:

Type of call	Call terminating in	Dialing plan
Local Call	Home NPA (HNPA) or Foreign NPA (FNPA)	1 + 10-digits (1 + NPA-NXX-XXXX)
Toll Call	HNPA or FNPA	1 + 10-digits (1 + NPA-NXX-XXXX)
Operator Services Credit card, collect, third party	HNPA or FNPA	0 + 10-digits (0 + NPA-NXX-XXXX)

Network Testing

All international and domestic carriers should ensure that the new 837 NPA has been activated throughout their networks prior to January 31, 2025. The test number to verify the routing to the 837 NPA will be in service beginning October 31, 2024 through February 28, 2025. The test number to verify the routing to the 837 NPA is: 837-837-1837. A recorded announcement will indicate the test call has been successfully completed.

General Information

The information in this planning letter reflects detailed information about NPA relief activities. The information has been derived from commission orders and from industry implementation decisions. The implementation of the plan described in this letter is the responsibility of individual service providers, and NANPA does not guarantee that the activities and plans will occur exactly as described herein.

Contact Information

General questions regarding the relief of the 530 NPA should be directed to Heidi Wayman – NANPA, on 571-363-3824. Questions of a technical nature should be directed to the NPA coordinator of the appropriate service provider.

Attached is a list of service provider and contact information that is provided to assist in the implementation of the relief plan described herein. Because this information is subject to change, NANPA cannot guarantee the completeness or the accuracy of the attached list.
